The Animal Law Section is committed so several goals, including:

*Creating and maintaining an Animal Law Handbook which compiles Louisiana animal laws and regulations, including local ordinances pertaining to animals;

*Creating and maintaining a resources and brief bank for use by attorney members of the Animal Law Section;

*Creating and maintaining a referral service for and among attorneys practicing in the area of Animal Law;

*Creating and maintaining a referral service for the public which refers people with problems or concerns to attorneys within the Animal Law Section who will handle such cases;

*Publishing an Animal Law e-newsletter;

*Maintaining a website for the Animal Law Section with a listserv and forum to discuss hot topics in this area of law; and

*Actively recruiting a diverse group of knowledgeable, cutting edge speakers for CLE programs on Animal Law.
